

# KINGS CANYON PODCAST STUDIO

9' (H) × 13' (W) × 17' (D)

**Fiilex**

FXL-L-090804-Podcast-21040

A small but mighty podcast studio that utilizes three different featured walls to create three scenes. Wood wall, as the main scene, along with a green wall, and a portrait wall. Fiilex ceiling mounted track lights is their ultimate choice.

Wood Wall

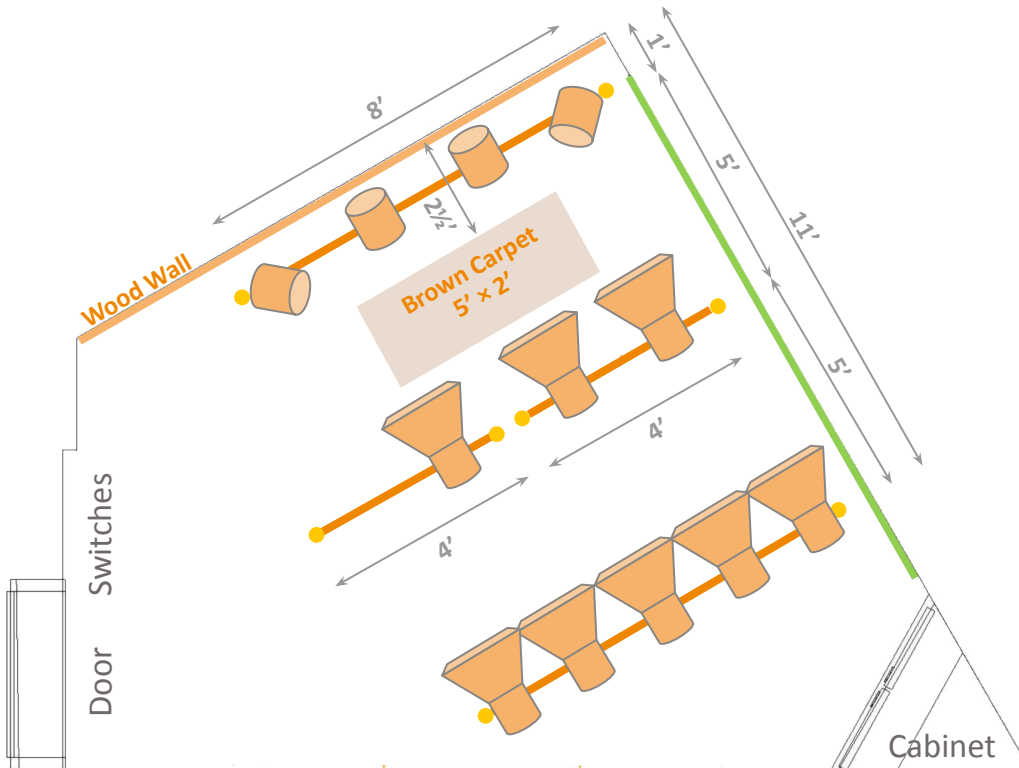

Green Wall

Portrait Wall
